Job Certificate

To Whom It May Concern

I would like to recommend Yekta Sadeghi Malekabadi (Student ref :2250954) as a candidate for your university . In her position as a Junior architectural designer, Yekta was employed in our office from 2012 - 2016. She did an excellent job in this position and was an asset to our organization during her tenure with the office. She can get excellent information about plans by studying & analyzing the site , and then design it via cad. Also she can target the audience and participation in the projects. Yekta is extremely organized, can work independently and is able to follow through to ensure that the job gets done. She participated in most of her field experiment and data gathering. She has shown herself very sharp and curious in learning, so she has acquired many skills in a short period of time, and I'm sure she will be successful in any academic endeavor.

If you require any further information in this regard, please do not hesitate to contact Mr. Arash Hashemzadeh Homayouni at (9821) 44083192 or email at info@haftshahraria.com

Respectfully yours,

Managing Director
